

Martin House

children's hospice

Help to make a real difference to the families that use Martin House Children's Hospice by holding a fundraising event. If you have a Charities Week or perhaps your school adopts a charity for a Term or even a Year, your contribution could help support Yorkshire's life-limited children and young people.

Here are a few ideas that can be used in classes, year groups or in the whole school:

- A non-uniform day
- Adopt a colour for a day
- The ever popular cake sale
- A school marathon – however many laps of the sports field it takes to clock up 26miles – 26 pupils x 26 x laps of a mile and you've done it!
- Hold a concert in the lunch break
- Mount a fashion show
- Offer to wash the teachers' cars – for a fee
- Be a super hero for a day and dress the part

Involve your teachers:

- Send the Head "back to school" – sponsor your Head Teacher to return to the classroom as a pupil and take part in lessons again
- A Baby Competition -ask the staff to bring in their old baby photos - can you match the baby to the teacher?
- Hold a talent show and give your teachers and parents a chance to shine!
- Suggest the staff make donations to Martin House instead of sending each other Christmas cards.

Martin House can supply you with posters, banners, balloons and information about the work of the hospice to promote your event. We can also provide stocks of our pin badges for you to sell. Look at our website for details of Martin House Events www.martinhouse.org.uk and other community activities to raise funds.

If you want to learn more about Martin House and its services, one of our fundraisers will be happy to come in to school to give a talk about the work of a children's hospice, either within a class, a year group or during School Assembly.
