

Community

Everybody can get involved

Community means just that. Whether it be Schools, Pubs, Golf Clubs, Community Groups, Social Clubs, Churches or our own Friends Groups. There are so many ways to help us.

Our Community Fundraisers are always available to help and give advice. So why not get your community or group to help us. You can organise your own event, join one of ours or adopt Martin House as your favourite charity. Why not join one of our Friends Groups?
