Can your company or workplace help?

If your company would like to offer some support, we're just a phone call away and we'd love to hear from you. Any help would be very much appreciated.

We can come along and talk to you and your staff if you are interested in finding out more. We have a 4-minute DVD which can be part of our presentation if you wish - this gives such a good feel for Martin House.

Fundraising at work is fun and can be a great for team building. According to research, 87% of employees believe that a company that supports society and community is probably a good company to work for.

Shulmans Solicitors have been busy fundraising for Martin House and raised a fantastic £600 in one day.

Many thanks to all the staff.
