

## Schools & Colleges

Support from our schools and colleges is very important to us. If your school or college would like to fundraise for Martin House, we can help with ideas and supply information and posters. Our Community Fundraisers, Alison Wragg (North and East Yorkshire) and Sarah Tarpey (West Yorkshire) are also happy to visit schools, both primary and secondary, to give talks about the work of our children's hospice.

For fundraising ideas please download our [information sheet](#)

West Yorkshire Secondary Schools are invited to showcase their musical talents in the Martin House unique talent competition "Centre Stage" - the winning band plays at both Leeds and Reading Festivals.
