|  Book - Living With A Seriously Ill Child | 7.99 |  Add |
| By Dr. Jan Aldridge - A compelling book for those parents who find themselves leading a life vastly different from the one they envisaged. It is also helpful for families and friends and for those whose professional lives bring them into contact with families where there is a seriously ill child. | | |
|  Book - A Place To Be | 10.00 |  Add |
| By Dr. Jan Aldridge - The story of the development and day-to-day life of one of the world's first children's hospices; told in words and pictures by representatives of the team, children and families. | | |
