

## Current Opportunities

*We urgently need volunteers for the following tasks:-*

Our charity shop in Selby needs volunteers to help sort donated goods and to serve in the shops. Full training will be given on how to use the till. Our volunteers usually do either a morning or afternoon each week. The shop is open Monday to Saturday.

Our maintenance team are looking for a volunteer who can come in once a week and check over our fleet of cars and vans. This will involve checking tyres, oil, water etc. so someone with some knowledge of vehicles would be welcome.

If you are interested in applying to be a volunteer for any of the above opportunities, please complete the online form below and we will send you an application form to complete. This page is updated monthly so if there is nothing that appeals to you, please do keep checking as all opportunities are listed here as they arise. We no longer keep a waiting list due to the large number of volunteer enquiries we receive.

Please note we are not able to take volunteers under the age of 18 at the hospice due to the nature of our work.

If you would like to volunteer to help with any of the above please [apply here](#)
