

Become a

Champion!

36 hours. Double your impact.

Sunday 28 and Monday 29 September

What's happening?

We're aiming to raise
£360,000 across 36 hours!

It's a 'matching' campaign, this means that generous donors have kindly agreed to match each donation we obtain from the community on the days of the campaign. Every £1 is doubled!

This is a crowdfunding campaign so every donation counts. Whether it's friends, family, or colleagues, your support can inspire others to give. Together, big and small gifts will help us reach our goal and get closer to completing THE BUILD.

What is a Champion?

A champion is someone who believes in our vision and wants to help us deliver the facilities that the children of Yorkshire deserve, by simply spreading the word.
